

**REMARKS**

Claims 2-4 are amended; claims 1, 6-8, 22-28 and 43-69 are canceled; and claims 2-5, 9-21 and 29-42 are pending in the application.

Claims 4, 5, 9-21 and 29-42 are allowed.

Claims 2 and 3 stand objected to for depending from a rejected base claim. Claims 2 and 3 are amended to place the claims in independent form, and such amendments are believed to place claims 2 and 3 in condition for allowance.

Claim 4 is amended to clarify that the recited polygonal opening has more than four sides. The amendment to claim 4 is supported by the originally-filed application at, for example, Figs. 23 and 24, and paragraph 0071 of the specification.

All of the pending claims 2-5, 9-21 and 29-42 are believed to be allowable, and applicant therefore requests that the Examiner's next action be a Notice of Allowance.

Respectfully submitted,
